Around the world, black hand prints are appearing on doorways, scorched there by winged strangers who have crept through a slit in the sky.

In a dark and dusty shop, a devil's supply of human teeth grows dangerously low.

And in the tangled lanes of Prague, a young art student is about to be caught up in a brutal otherworldly war.

Meet Karou. She fills her sketchbooks with monsters that may or may not be real, she's prone to disappearing on mysterious "errands", she speaks many languages - not all of them human - and her bright blue hair actually grows out of her head that color. Who is she? That is the question that haunts her, and she's about to find out.

When beautiful, haunted Akiva fixes fiery eyes on her in an alley in Marrakesh, the result is blood and starlight, secrets unveiled, and a star-crossed love whose roots drink deep of a violent past. But will Karou live to regret learning the truth about herself?

Daughter of Smoke & Bone, Book 1 - Book Review Parents need to know that the publisher targets Daughter of Smoke & Bone as young adult (12 and up), but it is really mature young adult fare: 14 and up, mostly due to sexual themes such as the loss of virginity (and regret of it) and a forbidden, intense relationship that includes sex (though it's not described in any detail). There are sad deaths, fighting with knives resulting in stab wounds, a beheading, and the description of a never-ending war between angels and chimaera with many dead.
